

Michigan Department of Transportation

Subject: UPDATED SPRING WEIGHT RESTRICTION BULLETIN # 4

Effective 8:00 a.m., **Tuesday, March 26, 2013**, weight restrictions will be imposed and enforced **on all state trunkline highways within the entire state of Michigan, now including the Upper Peninsula**. State trunkline highways typically carry M, I, and US designations.

-On routes designated as "All Season Routes" (green or gold on the MDOT Truck Operators Map) there are no reductions in legal axle weight.

-On routes designated as "Seasonal" (solid or dashed red on the MDOT Truck Operators Map) weight reductions are 25% for rigid pavements and 35% for flexible pavements.

Extended permits are valid for **oversize only** in the weight restricted area.

Single trip permits **will not be issued for overweight loads** or loads exceeding **14 feet in width, 11 axles nor 150 feet in overall length** in the weight restricted area.

Weight restriction information may be obtained by calling **1-800-787-8960**. For companies located in Canada or New Jersey, information may be obtained by calling **517-373-6256**.

Detailed weight restriction information may be obtained by linking to [www.michigan.gov/truckers](http://www.michigan.gov/truckers).
